Toepassing: Aansluiten van een externe boiler aan een iCon soloketel
Anwendung: Anschluss von einem externen Speicher an einen iCon Solokessel
Application: Connection of an external cylinder to an iCon system boiler
Application: Connection une ballon externe à une chaudière solo iCon
Fornitura: Collegamento una boiler esterna a una caldaia iCon solo
Anvendelse: Tilslutning af ekstern beholder til en iCon solokede
三通阀功能: 用于连接系统热水炉的外置水箱加热切换
